

**CAQH Committee on Operating Rules for Information Exchange (CORE)  
CAQH CORE Health Care Claims Subgroup  
Health Care Claims Straw Poll #1: Non-Substantive Comments**

**Non-Substantive Comments Received on CAQH CORE Health Care Claims Subgroup Straw Poll #1**

- This table summarizes non-substantive comments received by Straw Poll #1 respondents along with CAQH CORE Health Care Claims Co-chair and staff response, when applicable.
- Non-substantive comments are defined as comments that pertain to typographical/grammatical errors, wordsmithing, clarifying language, addition of references; do not impact rule requirements.

**Table 1. Non-Substantive Comments Received on Health Care Claims Subgroup Straw Poll #1**

#	Topic Area	Summary of Comments	CAQH CORE Health Care Claims Co-Chair & Staff Response
1.	<b>Section 2: Modifiers</b>	One entity stated they would support the codes that are needed to ensure that appropriate telehealth claims can continue to be submitted and properly identified.	Health Care Claims Subgroup participants will have the opportunity to identify codes and modifiers that should apply for telehealth billing via Subgroup Meetings and Straw Polls.
